

## Download Free Audiobooks Anytime

Moonee Valley Library has a wide range of audiobook titles for you to download and enjoy at home

## CLIPPER EBSCO

You never have to wait for these books as they can be 'borrowed' by more than one person at the same time. Listen to them on your MP3 player or computer. There are over 600 titles to choose from.

You need your library card number to access these at

<http://search.ebscohost.com/login.aspx?authtype=ip,cpid&custid=s7473661&profile=ehost&defaultdb=%20nlabk>

The first time you use this service you need to click on Sign In and then click on Create a New Account. You also need to install Download Manager Software  
You can download up to 10 audiobooks at a time and they are licensed for you to use for three weeks. Items cannot be returned early.

## BOLINDA

Bolinda specialise in Australian talking book content.

Find Authors like: Tim Winton, Bryce Courtney, Kerry Greenwood and many more! Also includes self help and childrens story books.

Bolinda eAudiobooks can be listened to on any MP3 compatible media manager or media device.

Just go to the Bolinda Audio Books

[https://fe.bolindadigital.com/wldcs\\_bol\\_fo/b2i/login.html?b2bSite=1505](https://fe.bolindadigital.com/wldcs_bol_fo/b2i/login.html?b2bSite=1505)

to download audio ebooks. You'll need your library card to log in!

Browse the collections, select a title, "borrow" it and download it instantly or in parts to your PC. No special software needed. Unzip it and move to iTunes or Windows Media Player before transferring it your MP3 device.

You can borrow (or reserve) up to 4 items for 2 weeks. Note that items cannot be returned early.

## NEED MORE HELP?

### Clipper Ebsco

The first time you download an audiobook using Clipper/ EBSCO you will need to create an account with Ebsco.

Click Sign in

Then click Create a new account

Fill in your name and email, create a username and password. Then click Save Changes. You'll now be logged-in and ready to search and download audiobooks.

### Discover Titles

There are a number of ways to find the audiobook you're after, or to discover something new.

- Browse by the book's genre e.g. fiction: science fiction & fantasy; biographies & memoirs; self-Help
- Search by keyword (e.g. the title, author or subject)

- Click Advanced Search for more detailed searching. You can search here by author, title, subject, the year of publication, publisher and more

### Download

To download click *Download this audiobook*. The first time you download an audiobook you will be asked to install the Download Manager software.

- Select the format for your computer (PC or Mac) and your preferred media program (Windows Media Player or iTunes).
- Once the Download Manager software is installed you will be asked to launch the application. Select Ebsco Audiobook DownloadManager and click Ok.
- If you are intending to play your audiobook on an iPad, iPad, iPhone, these devices must be connected to your computer before you begin. to download.

Your audiobook will then start downloading.

Once the download is complete you can locate the item.

*For iTunes users:* the audiobook will appear as a playlist on your iPod.

*For Windows Media Player users:* check the *My Documents* folder, otherwise check the *My Music* folder. A new folder will have been created, with the audiobook inside.

### FAQ

*The audiobook downloaded as a single large file. What happens if I lose my place?* Depending upon your version of iTunes, you can set the audiobook to remember where you were up to. Highlight the file, click on Get Info/Options and tick Remember Playback.

*I reset my iPod but I was 3 hours into listening to a book. What's the easiest way to fast forward?.* The most effective fast forward is to click on select button in center of wheel until volume and time bar changes into sectioned time bar. Rotate the wheel slowly or rapidly in either direction to find your place.
